CERTIFICATE IV IN SUPPLY CHAIN OPERATIONS (GENERAL)

Entry Requirements

- Participants must be employed within a warehousing environment.
- Participants must have English language, literacy and numeracy skills equivalent to Year 10 of compulsory schooling, as a minimum.

Duration

This program is typically delivered over a 14-month period (including 2-months block period); however, this will vary according to client needs and will be negotiated during the consultation process.

Pre-Training Review

A pre-training review will be undertaken to ascertain the participant's current levels of language, literacy & numeracy (LL&N), eligibility for skills recognition/recognition of prior learning and if any specific support needs are required.

Pathway / Careers

Successful completion of this program can lead to career opportunities such as Warehouse Operator, Supply Chain Administration Operator or Supply Chain Administration Officer.

Delivery and Assessment Methods

- Delivery is a combination of group workshops and coaching sessions. Group workshops ensure the theory is well understood and then the knowledge and skills are further developed and practised in the coaching sessions.
- Assessment tasks typically include on-the-job observation and questioning, in-class activities and workplace based projects.

Mentor Induction and Engagement

Workplace mentors from your business are inducted into the program to ensure the knowledge and skills are reinforced to ensure the participant progresses through the course to completion.

Fees and Charges

Information about course fees and charges can be found in the National Fees Booklet available on the Spectra website: www.spectra.edu.au together with Spectra's Refund Policy.

Eligibility / Government Funding

Spectra Training is a national provider of workplace training. For eligible participants, this training may be partly funded by your State/Territory Government in partnership with the Commonwealth Government. For information on eligibility criteria, please consult the Spectra Training website: www.spectra.edu.au
